J.B.L.C. Notification No: 67

It has already been notified earlier that all students are required to register themselves in the official college website (www.jblawcollege.ac.in) prior to proceeding with admission fee payment.

However, it has been observed that some students have not yet completed the registration process. Non-registration may lead to serious complications at the time of Semester Examination form fill-up, and students may even be unable to complete the process. Therefore, all students are hereby directed to complete their registration on the college website on or before **11th September, 2025**.

Furthermore, it has come to notice that some students have made certain errors during the registration process. Such errors, if any, must be reported to the College Office on or before 13th September, 2025, so that necessary corrections can be made in due time.

Students are advised to treat this matter with utmost importance.
