Dated Guwahati the 30-10-2025

J.B.L.C. Notification: 87

It has been observed with serious concern that certain students of the College have been irresponsibly throwing used water bottles, chip packets, wrappers, and other waste materials within the College premises. In addition, instances of students consuming pan masala and spitting inside the campus have also been reported, leaving unsightly pan masala stains on walls, floors, and other areas of the premises (including classrooms, library and washrooms). Such conduct is indecent, unhygienic, and highly unbecoming of students of this institution.

All students are hereby strictly warned to refrain from any act that contributes to the untidiness or defacement of the College campus, including littering or spitting pan masala or any similar substance. If any student is found involved in such acts, they will be immediately reported to the Office of the Principal and will be liable to face strict disciplinary action without further warning.

The College Authority expects every student to uphold cleanliness, discipline, and the decorum befitting an institution of legal education.
